# Directorio de Proveedores y Facilidades de Servicios de Salud

*Actualizado el lunes, 13 de noviembre de 2017*

# Bienvenida

Tras el paso de los huracanes Irma y María muchos asegurados han tenido dificultad en acceder a sus proveedores de servicios de salud a través de la Isla. Al igual que los pacientes, las facilidades donde operan varios de estos proveedores se han visto afectadas por la falta de agua potable, energía eléctrica, generadores o plantas eléctricas, acceso a diésel y/o gasolina y a la red de telecomunicaciones. Como resultado, muchos de ellos se han visto forzados a cambiar sus horarios y localidades de servicio; mientras que otros, continúan sin poder operar. Para mantener informados a todos los asegurados, diez compañías de seguros – Constellation Health, CMC Care, First Medical Salud, Humana, MAPFRE, MCS, MMM, Molina Healthcare, el Plan de Salud Menonita, PMC Medicare Choice y Triple S, se han unido a la Administración de Seguros de Salud de Puerto Rico (ASES) y a varias asociaciones profesionales y entidades de salud para crear este directorio nacional de todos los proveedores de servicios que están operando en Puerto Rico. El objetivo central es mantener a la población, manejadores de casos y a los aliados del sector salud informados sobre quienes están operando, en qué horario, localidad y cómo poder contactarlos.

Asímismo, queremos asegurar de que todo paciente que esté cubierto por MI Salud, Medicare Tradicional, Medicare Advantage, Medicare Platino y/o un seguro de salud comercial tenga acceso a los servicios de prevención, diagnóstico, tratamiento, cuidado y rehabilitación que necesita según provee su cubierta.

## **Este Directorio incluye información sobre:**

- Centros de Diálisis
- Centros de Diagnóstico y Tratamiento (CDT) y Clínicas
- Centros de Radiología
- Centros de Salud Mental
- Facilidades de Grupos Médicos Primarios (GMP)
- Farmacias
- Hospitales
- Laboratorios
- Médicos Primarios y Especialistas

**Para facilitar la búsqueda, el directorio está organizado por municipio en orden alfabético.** Bajo cada municipio, encontrará a los proveedores de servicios de salud antes mencionados. En el caso de las facilidades de servicios como lo son los Centros de Diálisis, CDTs, Clínicas, Centros de Radiología, Centros de Salud Mental, Farmacias y Laboratorios. El directorio incluye el nombre completo de la organización en orden alfabético, seguido de la dirección física, el teléfono que esté en funcionamiento y el horario de servicios. En el caso de los médicos primarios y especialistas, estos están organizados bajo su especialidad en orden alfabético. Debajo de cada especialidad, aparecen los médicos con el apellido primero, luego el nombre, seguido por de la dirección física, el teléfono que esté en funcionamiento y el horario de servicios. Para las facilidades y médicos donde no se ha podido confirmar el horario de servicios, incluimos una nota a tales efectos. Los hospitales y los GMP aparecen en una sección por separado ya que muchos de ellos sirven a regiones y/o la isla completa. Estas facilidades también se presentan por orden alfabético en las primeras secciones del directorio.

Este directorio fue actualizado el 13 de Noviembre 2017 y será actualizado de forma continua mientras dure el período de emergencia tras el paso de los huracanes Irma y María. Es importante señalar, que dadas las dificultades que existen con las telecomunicaciones y la infraestructura, es posible que a diario hayan cambios en los horarios de servicio y números de teléfono. Es por esto que, si tiene dificultades en contactar a alguno de los proveedores aquí incluidos, usted debe llamar a su plan médico para solicitar ayuda. Para hacerlo, usted puede llamar al teléfono que aparece en la parte posterior de su tarjeta del plan médico. Otra opción es llamando o visitando uno de los centros de servicio al cliente de su plan médico. En la sección titulada “Información de Contacto” encontrará el nombre de cada aseguradora, la dirección física, el número de teléfono y el horario de servicios de sus departamentos de servicio al cliente.

# Declaraciones

El 18 de septiembre de 2017, el Gobernador de Puerto Rico declaró estado de emergencia para la Isla ante la inminencia del Huracán María. Debido al gran impacto de este evento atmosférico y a la necesidad de asegurar el acceso a servicios de salud para la población, la Oficina del Comisionado de Seguros de Salud de Puerto Rico a través de su carta normativa CN-2017-221-D, autorizó a las compañías de seguros de salud que operan en la Isla a abrir sus redes de proveedores. Esto permite que los asegurados de cualquier plan médico puedan visitar a proveedores de servicios dentro y fuera de la red contratada por cada compañía de seguro. Esta orden continúa vigente a la fecha de publicación de este directorio (13 de noviembre de 2017).

Para garantizar que todos los asegurados de planes médicos tanto públicos como privados estén informados sobre cómo contactar a sus médicos y otros proveedores de servicios de salud se creó este directorio. Complementariamente, se está implementando una campaña de servicio público titulada “Visita Tu Médico Hoy” con el objetivo de orientar a los pacientes sobre la importancia de visitar a su médico primario, especialista, así como a otras facilidades de servicios de salud para prevenir enfermedades y obtener el cuidado clínico que sea requerido. El compromiso de todas las organizaciones que están colaborando con este esfuerzo es mantener a nuestra población saludable.

Debido a los retos con las telecomunicaciones, es posible que algunos médicos y/o facilidades de salud que están actualmente operando no hayan sido incluidas en esta versión del directorio. De ser así, les exhortamos a estos profesionales a que contacten el plan médico con el cual tiene contrato para proveerle los detalles sobre sus operaciones. De igual forma pueden informarles sobre cambios que hayan realizado en sus horarios de servicios o información de contacto para incluirlo en la próxima edición del directorio.

*El contenido de este documento no representa la posición ni las expresiones de la Administración de Seguros de Salud de Puerto Rico (ASES) ni de las organizaciones que están participando de este esfuerzo.*

# Agradecimientos

El desarrollo de este directorio no hubiese sido posible sin la colaboración de varias organizaciones que laboran en el sector de la salud. Es por esto que agradecemos a las compañías de seguros de salud, incluyendo a Constellation Health, CMC Care, First Medical Salud, Humana, MAPFRE, MCS, MMM, Molina Healthcare, el Plan de Salud Menonita, PMC Medicare Choice y Triple S por hacer disponible de forma continua la información de contacto y los horarios de operación de sus redes de proveedores. También agradecemos a todas las asociaciones profesionales y entidades que proveen servicios de salud incluyendo a la Asociación de Compañías de Seguros de Puerto Rico (ACODESE), Asociación de IPAs de Puerto Rico (AIPR), Asociación de Salud Primaria de Puerto Rico (ASPPR), COOPHARMA, Best Option Healthcare y las Redes del Sureste, por su compromiso de mantener informados a los médicos, farmacéuticos y otros profesionales de la salud y por las intervenciones de educación y apoyo a los pacientes. También agradecemos la colaboración de otras organizaciones como lo son AbarcaHealth y MC-21 en la elaboración y distribución de este directorio. Finalmente, agradecemos el incondicional apoyo de entidades del Gobierno de Puerto Rico que laboran en este campo, incluyendo al Departamento de Salud, la Administración de Servicios de Salud y la Oficina del Comisionado de Seguros.

A través del liderazgo de todas estas instituciones y del trabajo incansable de los profesionales de la salud, estamos confiados de que una vez más Puerto Rico se levanta y se asegura de que la población tenga acceso a los servicios de salud que necesita.
