PRESIDENT'S MESSAGE

Queridos colegas, invitados y amigos:

Es un gran honor darles la más cordial bienvenida a esta Convención Anual del Colegio de Farmacéuticos de Puerto Rico. Esta ocasión representa mucho más que un encuentro profesional: es un reconocimiento al compromiso, esfuerzo y evolución continua de nuestra profesión al servicio de la salud del pueblo puertorriqueño.

A lo largo de estos 87 años, nuestro Colegio ha sido un pilar en la transformación de la práctica farmacéutica, manteniéndose firme en su misión gracias a la dedicación incansable de cada uno de sus miembros. Hemos enfrentado desafíos y abrazado el cambio, integrando nuevas tecnologías, fortaleciendo el rol clínico del farmacéutico y reafirmando nuestro compromiso ético con los pacientes.

Reconocemos la labor de todos los líderes y colegiados que han sido parte de esta historia, y renovamos nuestro compromiso con un futuro más innovador, equitativo y saludable. Esta convención es un espacio para aprender, compartir experiencias y celebrar, juntos, el camino recorrido.

Agradezco profundamente a cada profesional, aliado y auspiciador que nos acompaña. Gracias por ser parte de esta gran familia farmacéutica, que continúa creciendo con vocación y visión.

¡Que esta convención sea una experiencia enriquecedora, inspiradora y memorable!

¡Felicidades a todos!

Dear colleagues, guests and friends:

It is a great honor to warmly welcome you to this Annual Convention of the Colegio de Farmacéuticos de Puerto Rico. This occasion represents much more than a professional gathering: it is a recognition of the commitment, effort, and continuous evolution of our profession in service to the health of the Puerto Rican people.

Throughout these 87 years, our Colegio has been a pillar in the transformation of Pharmacy practice, remaining steadfast in its mission thanks to the tireless dedication of each of its members. We have faced challenges and embraced change, integrating new technologies, strengthening the clinical role of the pharmacist, and reaffirming our ethical commitment to patients.

We acknowledge the work of all the leaders and members who have been part of this history, and we renew our commitment to a more innovative, equitable, and healthier future. This convention is a space to learn, share experiences, and celebrate, together, the journey we have traveled. I deeply thank each professional, ally, and sponsor who joins us. Thank you for being part of this great pharmaceutical family, which continues to grow with dedication and vision.
